

ERICK ORTIZ

SOFTWARE ENGINEER

ABOUT

I am a full stack developer with 2 years of experience. My goal is to find a company that allows me to apply the knowledge acquired in the years of study, as well as my ability to plan, organize and manage the operation of a company in companies and related. I consider myself a proactive and challenging person. I work under ISO29110 standards, as well as experience working with SCRUM methodology using tools such as Jira and GitHub.
