

ERICK ORTIZ

Full Stack Developer

ABOUT

Full stack developer with 3 years of experience. My goal, find a company that allows me to grow and learn with them, also, apply the knowledge acquired in the years of study, as well as my ability to plan, organize and manage the operation of a company in business and related companies. I am a proactive and challenging person. I have worked under ISO29110 standards, as well as experience working with SCRUM methodology, using tools such as Jira and GitHub.
